THIS IS LIMITED BENEFIT INDEMNITY COVERAGE

Benefits are paid for Critical Illnesses as defined in the Certificate. The Policy does not constitute comprehensive health insurance coverage (often referred to as "major medical insurance coverage"). In addition, the Policy does not satisfy the requirement of minimum essential coverage under the Affordable Care Act. Benefits are paid under the Policy for Critical Illnesses as indemnity insurance and are not intended to cover medical expenses.

ReliaStar Life Insurance Company certifies that we have issued the group Policy listed above to the Policyholder. The Policy is available for you to review if you contact the Policyholder for more information. **This is your Certificate as long as you are eligible for coverage and you become insured. Please read it carefully and keep it in a safe place.** This Certificate replaces any other Certificates we may have given you for the same level of coverage under the Policy.

This Certificate summarizes and explains the parts of the Policy which apply to you. The Certificate is part of the group Policy but by itself is not a policy. Your coverage may be changed under the terms and conditions of the Policy. The Policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

For purposes of effective dates and ending dates under the Policy, all days begin at 12:01 a.m. standard time at the Policyholder's address and end at 12:00 midnight standard time at the Policyholder's address. The coverage under the Policy is conditionally renewable according to the terms and provisions of the Policy.

In this Certificate, "you" and "your" refer to an Employee who is eligible for coverage under the Policy; "we", "us" and "our" refer to ReliaStar Life Insurance Company.

Please read your Certificate carefully. Benefits may also be limited or reduced based on the attainment of certain ages.

GENERAL PROVISIONS

ELIGIBILITY

If you are working for the Employer in an eligible class (shown on the SCHEDULE OF BENEFITS), the date you are eligible for coverage is the later of the following:

- The Policy effective date.
- The day after you complete your Eligibility Waiting Period, unless waived.

EFFECTIVE DATE OF COVERAGE

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date you are eligible for coverage, if you apply for coverage on or before that date.
- The first day of the month following the date you apply for coverage.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment when your coverage would otherwise become effective. **Exception**: Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The last day of the month during which you are no longer in an eligible class.
- The last day of the month during which your eligible class is no longer covered.
- The last day of the month during which you voluntarily cancel your coverage.
- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The end of the Policyholder's grace period, if the Policyholder does not remit premium to us by the end of such period.
- The last day of the month during which you are no longer in Active Employment.
- The date the total maximum benefit amount has been paid for all Critical Illnesses.

We will provide coverage for a payable claim that occurs while you are covered under the Policy.

POLICY TERMINATION

The Policy can be terminated either by us or by the Policyholder.

We may terminate the Policy for any of the following reasons:

- There is less than 15% participation of those eligible persons who pay all or part of their premium for the Policy.
- The Policyholder does not promptly provide us with information that is reasonably required.
- Fewer than 25 persons are insured under the Policy.
- The premium is not paid in accordance with the provisions of the Policy.
- We determine that there is a significant change in the size, occupation or age of the eligible class(es) as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its persons.
- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

PORTABILITY

Portability means you have the option to continue your coverage after it would otherwise terminate if certain conditions are met. You must elect portability before you reach age 70.

To continue your coverage, you must apply for portability and pay the first premium within 31 days of the date your coverage would otherwise terminate due to any of the following:

- You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Insured Persons.
- The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with a similar insurance plan.
- You are no longer eligible for coverage under the Policy.

You can decrease, but not increase, the ported coverage amount. Ported coverage is subject to all the terms of the Policy and this Certificate.

Premiums will be billed directly to you. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time you apply for portability. We may change the portability premium rates at any time upon 60 days written notice to you.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The date you die.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first. During the grace period the Policy will remain in force. If full payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance written notice of termination, or if we have given the Policyholder advance written notice of termination as described under the POLICY TERMINATION provision.

If you are on portability, you also have a grace period of 31 days for the payment of any premium due. During the grace period your coverage will remain in force. If full payment is not received by us by the end of the grace period, your coverage will automatically terminate at the end of the grace period. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES

We consider any statements the Policyholder and you make in an application or enrollment form to be representations and not warranties. No statements made by you will be used to reduce or deny any claim or to cancel your coverage unless both of the following are true:

- The statement is in writing and is signed by you.
- A copy of that statement is given to you or your personal representative.

INCONTESTABILITY

Except in the case of fraud or intentional misrepresentation of material fact, no statement made by you in an application or enrollment form relating to your insurability will be used to contest the insurance for which the statement was made after the coverage has been in force for two years during your lifetime.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE OR TOBACCO USE STATUS

If premiums are based on your age or tobacco use status and you have misstated your age or tobacco use status, we will make a fair adjustment of benefits to reflect the amount that the premium paid would have purchased at your true age or based upon your tobacco use status. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT

No assignment of benefits under the Policy is valid unless otherwise specified in the Policy.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the jurisdiction where the Policy is issued is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE

No agent, representative or employee of ours or of any other entity may change or waive the terms of the Policy, or of any Certificate or rider issued under it, except in writing signed by one of our executive officers and endorsed or attached to the Policy.

If there is a conflict between the terms of this Certificate or any attached rider and the Policy, the Policy controls.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on the SCHEDULE OF BENEFITS if you are diagnosed with a Critical Illness after your coverage effective date. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on the SCHEDULE OF BENEFITS.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of this certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on the SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable to you for each Critical Illness in the Certificate during your lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your coverage (including all riders) terminates.

BASE MODULE

Benefits for Heart Attack, Stroke, Major Organ Transplant and Coronary Artery Bypass are payable when we receive due proof of such condition which is diagnosed after your coverage effective date (including the effective date of any changes to coverage).

A diagnosis of Heart Attack or Coronary Artery Bypass must be made by a cardiologist or a Doctor familiar with the specific condition. A diagnosis of Stroke must be made by a neurologist or a Doctor familiar with the diagnosis of Stroke.

If you are on the UNOS (United Network for Organ Sharing) list for a combined transplant, only one Major Organ Transplant benefit will be payable for the diagnosis.

QUALITY OF LIFE MODULE

A Critical Illness under this module, other than Coma and Infectious Disease, is not eligible for multiple benefit payments.

Benefits for Permanent Paralysis, Coma, Multiple Sclerosis, Amyotrophic Lateral Sclerosis (ALS), Advanced Dementia, including Alzheimer's Disease and Infectious Disease are payable when we receive due proof of such condition which is diagnosed after your coverage effective date (including the effective date of any changes to coverage).

A diagnosis of Advanced Dementia must be made by a board certified or board eligible neurologist or a Doctor familiar with the diagnosis of Advanced Dementia.

A diagnosis of Multiple Sclerosis must be made by a neurologist or a Doctor familiar with the diagnosis of the specific condition. Genetic testing does not qualify as a diagnosis.

Only one benefit for Infectious Disease is payable if the diagnosis of one or more Infectious Diseases is made during the same period of confinement.

  - Muscle rigidity;
  - Tremor; and
  - Bradykinesis (abnormal slowness of movement, sluggishness of physical and mental responses); **and**
- Resulting in the inability to perform independently 2 or more of the following activities of daily living:

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized agent or administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 10 days of your request, you may send us written proof of claim without waiting for the form. If such written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible.

PHYSICAL EXAMINATION

We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits are payable to you unless otherwise specified. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children, in equal shares.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.
5. Your siblings, in equal shares.
6. Your estate.

If a survivor entitled to receive a payment dies before receiving it, we will make payment to that person's estate.

"Spouse" in this provision means your lawful spouse.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

If you die or divorce, your Spouse can apply to continue Spouse coverage if certain conditions are met. Your Spouse must have been insured under this rider on the date of your death or divorce, your Spouse must be under age 70 and your Spouse must apply for portability and pay the first premium within 31 days of the date of your death or divorce.

If your Spouse is approved by us for portability, your Spouse will become the owner of the Spouse coverage that was previously provided under this rider. Your Spouse can decrease, but not increase, the ported coverage amount. Ported coverage is subject to all the terms of the Policy and Certificate.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse applies for portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Spouse is diagnosed with a Critical Illness after your Spouse's coverage effective date. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS.

The benefits for your Spouse are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy, may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness in this rider during your Spouse's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount for your Spouse has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and this rider terminates.

Payment of any benefits for your Spouse's Critical Illness will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Spouse's Critical Illness coverage as long as your coverage remains in force.

If you do not already have Children's coverage under this rider, then coverage for the newborn will be at the lowest level available. The claim form(s) may require completion by you and the Employer and the Covered Person's attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us written proof of your claim within 90 days after the date of the health screening test. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible.

BENEFIT PAYMENTS

Benefits under this rider are payable to you unless otherwise specified. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.
