SUMMARY OF BENEFITS 2024 PLAN YEAR

Flexible Spending Accounts

Under the Cafeteria Plan employees may set aside dollars, on a “pre-tax” basis into two separate accounts

Medical FSA is elected to pay for medical, dental, vision and hearing related expenses that are not covered by insurance. The maximum election is \$3,050 with total election available at the beginning of the plan year. There is a rollover feature in which unused medical FSA elections from \$50 to \$610 will roll to the following Plan Year.

Dependent Care FSA is to pay for child or dependent daycare expenses. As these expenses are incurred, claims can be filed for reimbursement. Dependent FSA has an IRS mandated maximum of \$5,000 (\$2,500 if married and filing taxes separately). Elections are subject to the IRS "use it or lose it" rule.

Long-Term Disability

Employees are provided coverage of 60% of monthly earnings to a monthly maximum of \$10,000 if an employee becomes disabled and can't work. The benefit is payable after 6 months of disability through age 65 or normal Social Security Retirement Age as long as continually disabled.

Buy-Up Option

Employees have the option to “buy-up” an additional 10% of salary for a total of 70% to a maximum benefit of \$10,000 per month. The cost is based on \$100 per monthly salary.

Sick Leave Buy-Back

Sick Leave Buy-Back Plan participation is limited to employees with at least four (4) weeks, or 160 hours, of accrued sick leave. Employees who elect to participate in the sick leave buy-back plan will accumulate sick leave at a reduced rate. The accrual rates for employees who participate in this plan are: 1 hour 36 minutes per bi-weekly for 40-hour-week employees or 2 hours 24 minutes for 56-hour-week employees. (Any employee working a work week other than 40 or 56 hours will have sick leave computed at the same ratio.) To participate, an employee must be in full-time status on the first day of the last pay period of the preceding calendar year. Eligible accrued hours will be earned at the conclusion of the designated sick leave buy-back plan year. Hours paid shall be deducted from accumulated sick leave. Such payment shall be subject to funding and approval of the Board of Commissioners on an annual basis.
