Tobacco Surcharge is \$80 per month in all plans

Enrollment Checklist

- Verify** that all desired dependents are listed on the Confirmation Page and have a valid Social Security Number (SSN) or other Taxpayer Identification Number (TIN)*;
- Verify** your coverage tier (you only, you + spouse, you + child(ren) or you + family);
- Confirm** that the Plan Option shown on the Confirmation Page is correct; and Confirm that you answered the Tobacco Surcharge question appropriately.

You may go online multiple times; however, the last option confirmed at the close of OE will be your option for 2024 unless you experience a Qualifying Event (QE) that allows you to make a change

Newly added dependents, generally, will be placed in a pending status until:

- 1) The required documentation is submitted within 45 days of your election proving they are eligible for coverage, or
- 2) The deadline to provide the documentation has passed, whichever occurs first.

***NOTE:** *The requirement to provide an SSN/TIN is a separate process from Dependent Verification. Dependents whose coverage is terminated due to providing an invalid SSN or no SSN are not eligible for coverage even if they passed the Dependent Verification process as they have failed to provide a valid SSN to SHBP.*

Having a Baby?

If you are having a baby, you **MUST** contact SHBP Member Services at 800-610-1863 to add your newborn child and submit the Social Security Number (SSN) or other Taxpayer Identification Number (TIN) within 90 days of the birth in order for the baby to be covered as a dependent by SHBP.
