

Hospital Indemnity Insurance

# Help minimize the financial impact that can come with a stay in a hospital or medical facility

## What is it?

Hospital Indemnity Insurance pays a fixed daily benefit if you have a covered stay in a hospital, critical care unit\* or rehabilitation facility. Hospital Indemnity Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

## Who can be covered?

You have the option to enroll yourself as well as your spouse\* and children\* in Hospital Indemnity Insurance coverage to meet your needs.

\* Employees must be enrolled in order to elect coverage for eligible spouse and eligible dependent children as defined in the Certificate of Coverage and Riders.

## Why should I consider it?

-  Use your paid benefit for any purpose, such as paying out-of-pocket medical expenses, copays, deductibles, groceries, gas, utilities and more – it's up to you.
-  Coverage is always guaranteed issue.
-  You can choose to take this coverage with you if you leave your employer or retire, and you'll be billed at the same rates via direct billing

For a complete description of your available benefits, exclusions and limitations, see your certificate of insurance and any riders.
