

*If you think you have Apnea symptoms,
talk to your PCP or the provider at the
Five Star Mobile Clinic.*

Exciting News!

1st America Home Medical is now managing TLC Benefit Solutions Sleep program!

What is Sleep Apnea?

Sleep apnea is a sleep disorder where breathing repeatedly stops and starts during sleep.

Symptoms - loud snoring, stop breathing during sleep, fatigue, headaches, and lack of concentration.

We are proud to bring 30 plus years of experience to TLC Benefit Solutions sleep patients, and will ensure a smooth transition to the 1st America program.
